MEMORANDUM FOR THE DIRECTOR

SUBJECT: NIE 88-60: PROBABLE DEVELOPMENTS IN
COLOMBIA

1. NIE 88-60 was undertaken as part of the regular Estimates Program, mainly because of concern over the problem of internal lawlessness and violence. The report of the Colombia Survey Team on this problem was utilized in preparation of the estimate, and the team was consulted through DD/P during the process.

2. The present text was fully agreed at the Representatives level, and no substantial issue is likely to be raised at the USIB meeting.

FOR THE BOARD OF NATIONAL ESTIMATES:

ABBOT SMITH
